DUAS ÁRVORES RES.21
DOURO BRANCO

COMPANY: Duas Árvores celebrates the friendship and dream of two great friends to reconnect with their Lusitanian roots. Their surnames, Castanheira and Oliveira, corresponding to two typical Portuguese trees, inspired the brand's name. The goal is to create wines that express the full character of the traditional vineyards and grape varieties of the Douro. Wines balanced between concentration, complexity, and elegance.

TASTING NOTES: Wine with a greenish-citrine color. It presents itself elegantly on the nose, fruity and mineral, with fresh aromas of yellow fruit and grapefruit. Acidity is present, balanced with sweet notes from barrel aging, providing freshness and persistence on the palate.

VINIFICATION: Based on traditions, scientific knowledge, and environmentally sustainable viticulture techniques. The grapes are rigorously selected, lightly pressed in a pneumatic press, and fermented in stainless steel tanks at 14-16°C. The final third of the fermentation occurs in French oak barrels.

Aged for 9 months in French oak barrels.
